Colorado Governor Jared Polis issued Executive Order D 2020 003 on March 11, 2020, declaring a disaster emergency in Colorado due to the presence of COVID-19. The Epilepsy Foundation of Colorado has enacted appropriate elements of its Business Continuity Plan and its COVID-19 Pandemic Plan and continues to follow relevant local and State Government regulations. March 13th marked the 1st anniversary of the closure of our offices due to COVID-19. With many businesses and schools closed and in-person programming limited, we have had to pivot nearly 100% of our programs and operations, often with significant financial impact. Our goal has been to advance our mission while addressing the emergent needs of those most vulnerable in our community. Fortunately, our long-time donors have remained loyal, and the philanthropic support we have received in combination with PPP loans has enabled us to overcome the challenges imposed by cancelled in-person fundraising events. While we hope to return to our normal programming and events over the course of 2021, it is likely we will need to continue to offer services and programs in a virtual or hybrid format to respond to changing COVID regulations and community needs. To ensure that we continue to succeed in navigating these uncertain times, we will rely on the same two business strategies that have proven successful throughout the first twelve months of the pandemic. First, we will maintain a strong financial position that allows for risk-taking and the pursuit of excellence through programmatic innovation. Second, we will utilize programmatic successes to drive philanthropic returns.
